- Included in this number are the Protection From Abuse Contempt Hearings that were tried before a judge and a verdict was rendered.

I am a voice that must be heard. For 18 years I have worked tirelessly for the poor, victims and disenfranchised in courtrooms throughout Pennsylvania. As a former full time prosecutor in Luzerne County, I handled criminal prosecutions from the investigations through prosecution and the sexual predator hearing. I have handled dozens of jury trials and bench trials as well as divorce trials, custody trials, adoption hearings, support hearings, equity actions, Orphan's Court hearings and real estate matters. I do not require on the job training and my experience will allow me to handle any assignment in any court.

To be a judge, however, a person requires more than courtroom experience. Judges should also be elected based on their community service and civic mindedness. The character of a person is best determined by a review of all of these characteristics. I have lectured and instructed law enforcement, medical professionals, social workers, lawyers, senior groups and lay people on issues of criminal law, family law and civil issues. I am an instructor for the Pennsylvania Bar Institute and the Pennsylvania Victims Assistance Academy; a speaker for the Pennsylvania Coalition Against Rape and the Pennsylvania Coalition Against Domestic Violence; a recognized expert on State of Pennsylvania WVIA Public Television and WYOU Interactive news. I have been a speaker for the Luzerne County Bar Association, the Lackawanna County Pro Bono Program, the Luzerne County District Attorney's Office and the Barbara J. Hart Justice Center. I have been a member of the Luzerne County Domestic Violence Task Force, the Lackawanna County Domestic Violence Task Force and the Susquehanna County Domestic Violence Awareness Collaboration. I have been presenting Law Day programs to elementary students for the past eight years. Educating our community allows for a safer society for all of us.

I am also active in my community. I serve on various boards and organizations including the acting PTA president for the last four years of a school of over 900 students. As a church member, I have been the chairperson of the summer bazaar two times and continue to run the children's section yearly. I am a CCD teacher, a lector and a member of the Pastoral Committee. I am a board member for Plains Baseball and active in numerous sporting activities with my sons.

I am a voice that Luzerne County needs. My family is not political. Rather we are a working class family with working class values.

As a judge, I would insist that unless provided otherwise by statute, all proceedings must be open to the public and to the media. Additionally, I would require that a stenographic record be made of all proceedings, unless closed by statute, and that record would be made available for public inspection. I would attempt to work out a schedule to allow victims of serious crimes specific dates and times to appear in Court. There is no need for defendants and victims to be forced to wait in a confined area for hours on end. I will act expeditiously in opinions and rulings and be prepared for every proceeding. *Any*

potential conflict of interest would be reported immediately to all parties and I would encourage parties and attorneys to report any concerns to the President Judge and to the Board of Judicial Conduct. Openness and accountability are trademarks necessary to restore confidence in the judiciary and improve the overall running of the courtroom.
